FENCING GEAR LOAN AGREEMENT

COVID-19 closure

21 March 2020

_____ Glove (\$15)

_____ Plastic chest protector (\$28)

_____ Mask (\$54)

_____ Practice foil blade (\$30)

_____ Jacket (\$44)

_____ Practice épée blade (\$44)

_____ Plastron (\$18)

In borrowing the above equipment owned by Metro Tacoma Fencing Club (MTFC), I agree to care and love the equipment that is entrusted to me better than I would my own children. I understand it is all due back within 7 days of club reopening after the COVID-19 temporary club closure. If the equipment is not returned within 7 days I will be charged the full amount of the replacement cost noted above to my account even though the equipment I borrow is not worth that much when I borrowed it. But the club cannot order used equipment online so I will be replacing the gear I do not return. I will not stress if a blade breaks due to usual use as I will not be charged for it. But if I break a blade doing something silly like using it to prop open a window I will happily pay the replacement cost. Finally, I acknowledge that I am an adult and will supervise all critters who do not behave like adults (children or spouses who act like children) and will not let anyone use the gear in a dangerous way. I will try my very best not to let anyone lose an eye. And finally, I will not invite the entire neighborhood to try out fencing in my garage because I will try my best to maintain social distancing so we can end this viral pandemic COVID-19 closure and all get back to fencing together again.
